A Amplify
Alliance

We Are Amplify Alliance

Our Why

Represent our members; Not for Profit organisations delivering social and human services.

Our Scope

Ensure members are best equipped to support the social and economic participation of the individuals they serve.

Our Purpose

To empower members to change lives.

Who We Represent

Amplify Alliance Full Members: are Not for Profit organisations who provide diverse employment services and pathways, education, training, and skills development programs.

Amplify Alliance Associate Members: are Not for Profit community and social service organisations that directly or indirectly assist people to fully participate in society, economically and socially, through services they deliver.
