

SUPPORTING STRONGER NFP ORGANISATIONS.

Empowering Members to change lives.

Amplify Alliance Australia is a Member-led peak body representing Not for Profit organisations delivering human and social services across Australia.

Our purpose is to empower Members to change lives.

We provide sector leadership, representation and advocacy, and policy insights to support stronger organisations, more effective systems and improved outcomes for communities.

Like our Members, we are a Not for Profit too. This gives us a deeper understanding of your strengths, challenges and opportunities.

Whether its through practical support, advocacy and representation or our community, we are here to amplify your impact and represent the NFP sector to decision-makers and government.

Together, we amplify the Not for Profit sector as a united force for good.

Building the capability and capacity of our Members.

Fostering sector alignment and strength.

Promoting the value and impact our sector.
